Island bike & cruise

- [x] Key West bike day
- [x] Islamorada bike day
- [ ] Pennekamp tours
- [ ] Explore Daytona

Suggested bike days are preselected. The Tesla has a locking two-bike rack. A 3-4 bike expansion needs ordering and fit checks. Special ranger and Daytona beach access require approval.

Compare a Marriott resort or a smaller Keys stay. Confirm rooms, rate or points, guest name and check-in requirements with the property. Discuss any host arrangements privately with Eddie. Weather and events can shape later days.
